COMPANY OVERVIEW

Aigis Duty Works LLC is a veteran-owned wholesale supplier dedicated to providing mission-critical equipment, PPE, and tactical gear to government agencies. We operate as an agile administrative office, utilizing a robust network of authorized distributors to provide compliant, efficient, and reliable procurement solutions. Our model ensures rapid fulfillment and direct accountability for state, local, and federal customers.

CORE COMPETENCIES

- Government Sourcing: Specialized procurement for hard-to-find agency needs.
- Wholesale Supply: Uniforms, duty gear, and tactical equipment distribution.
- Safety & PPE: Body armor, vests, and medical/EMS consumables.
- Logistics Coordination: Professional drop-ship and fulfillment management.
- Contract Administration: Audit-ready documentation and compliance systems.
- Facility Support: Reliable delivery of office and janitorial supplies.

DIFFERENTIATORS

- 100% Veteran-Owned & Operated: Military discipline applied to logistics.
- Rapid Quoting: Streamlined overhead for fast-turnaround sourcing.
- California Micro-Certified: Direct access to SB set-asides and micro-purchases.
- Agile Operations: Zero-inventory model reduces lead times and logistics friction.
- Direct Principal Contact: Direct communication with the owner for fast decisions.

PAST PERFORMANCE & EXPERIENCE

While Aigis Duty Works LLC is a new entity, our operational capability is founded on the extensive experience of our owner in logistics, vendor management, and government-ready documentation.

- Logistics Management: Expert coordination with authorized distributors to meet agency timelines.
- Procurement Compliance: Implementation of systems designed for state and federal auditing.
- Resource Sourcing: Proven ability to navigate complex supplier networks for high-demand goods.
